

# Wisconsin Evidence Based Decision Making State Policy Team

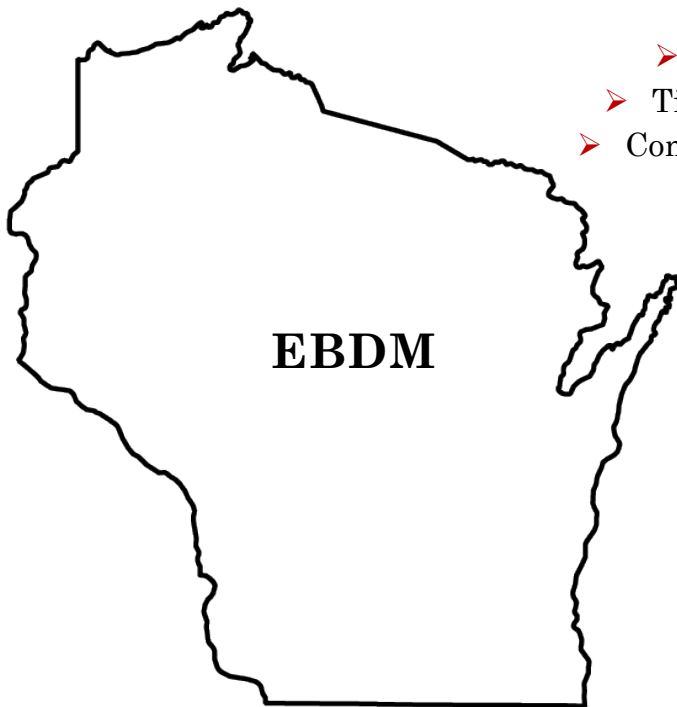

## Vision:

*The criminal justice system reduces harm, promotes fairness  
and contributes to the quality of life in Wisconsin*

## *Forward*

## We Value:

- Public confidence in what we do
- Achieving victim harm reduction and greater public safety through offender accountability and rehabilitation
- Treating all citizens fairly

- Respecting diversity and eliminating racial disparity
- Timely resolution to cases, with consistency in outcomes
- Competent justice system staff who operate with integrity

- Management of resources in an effective and sustainable manner
- Promoting transparency through the use of evidence based information to guide decision-making
- Being risk tolerant
